

This cheat sheet shows the key patterns for the simple scales and chords for a Launchpad controller in Note Mode, i.e. Chromatic Fourths layout (five notes per row followed by a 3-note padding of doubled note keys from the next row above).

Playing scales			
Major			
Natural Major (Aeolian)			

(More scales to follow. And maybe maj7 chords.)

Chords: Where applicable, the base note of the chord/scale is shown darker. There are up to three variations of a chord - please note that as soon as two notes are sitting in one column, there are only two possible patterns.

Major chords			
Base			
1st inversion			
2nd inversion			
Minor chords			
Base			
1st inversion			
2nd inversion
